In re Application of	:	OFFICE OF PETITIONS
Case, et al.	:	
Application No. 09/818,207	:	DECISION ON PETITION
Filed: March 27, 2001	:	
Attorney Docket No. 1812 (USW 0618 PUS)	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed September 8, 2008, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned July 17, 2008 for failure to timely pay the issue and publication fees, as required by the Notice of Allowance and Fee(s) Due, mailed April 16, 2008. Accordingly, the date of abandonment of this application is August 11, 2008.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the required reply in the form of payment of the issue and publication fee, (2) the required petition fee; and (3) an adequate proper statement of unintentional delay.

37 CFR 1.137(b)(3) requires a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." Since the statement appearing in the petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the required statement. Petitioner must notify the Office if this is **not** a correct reading of the statement appearing in the petition.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3205.

This application is being referred to Publishing Division for processing into a patent.

A handwritten signature in black ink, appearing to read 'Alesia M. Brown', is positioned above the printed name.
